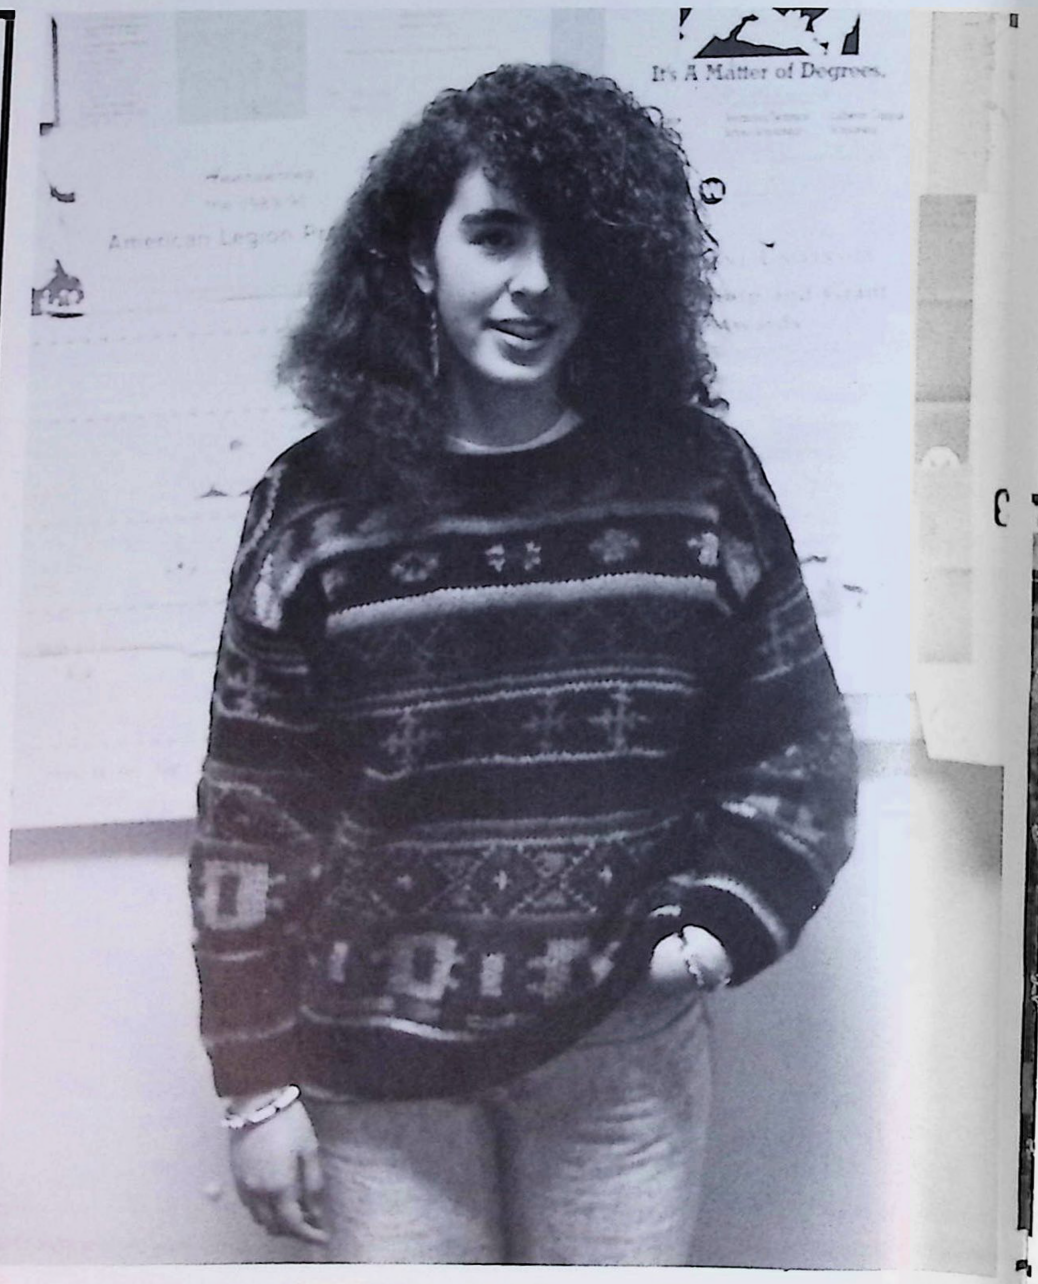
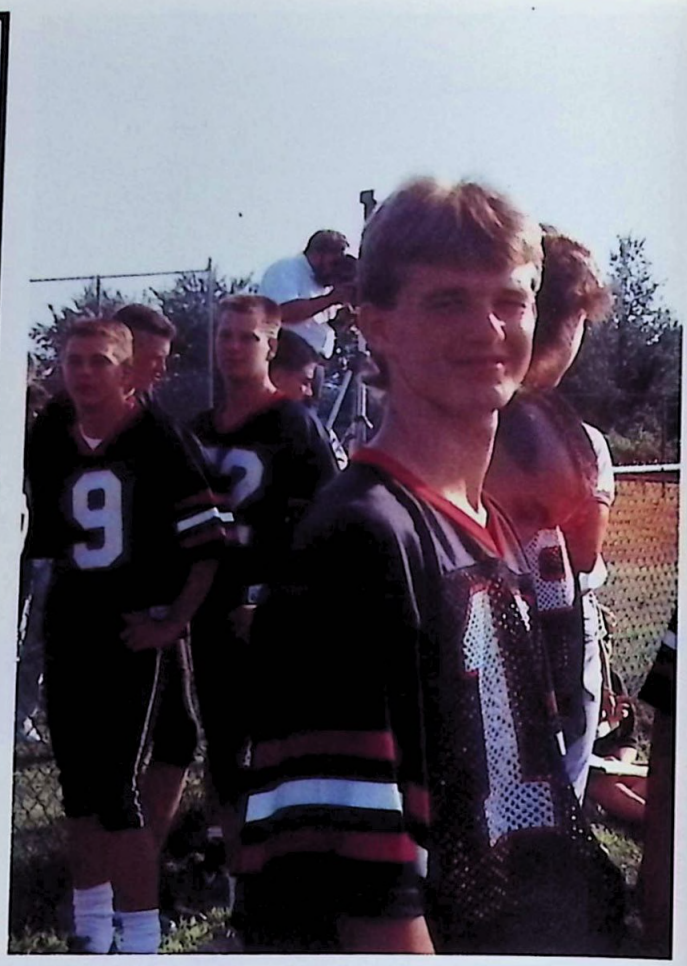
During football season, Matt Tartal "dared to be different." It all started with a haircut he fashioned after Kid of the rap group Kid-n-Play. Matt's hair was spiked atop his head, his sides were shaved, and had a braid in the back. Matt feels that he didn't make a lasting impression by doing this, but found he was admired for doing so. Matt adds that only one friend was really impressed with his "do" - Ron Smith.

Elizabeth Oliver has a unique view of life. Elizabeth says that life is "a sort of perverse thing that is meant to trip us up- sort of is very intellectual, friendly, interesting, and most original. Elizabeth has mastered the accents of Irish and Cockney through her acting. Elizabeth enjoys nature and has given up many modern conveniences. Elizabeth Oliver is a great asset to S.H.S.

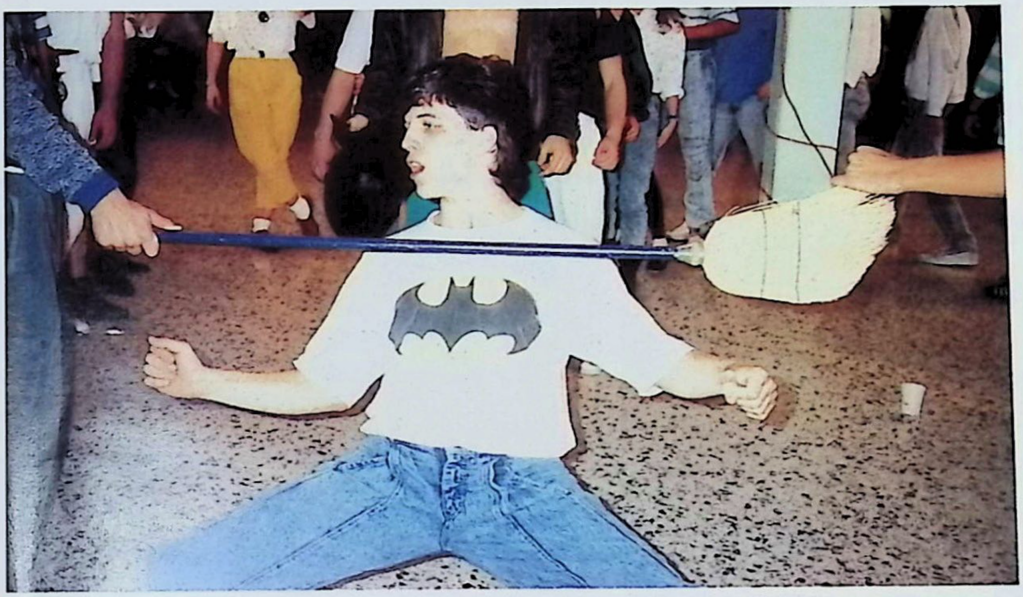


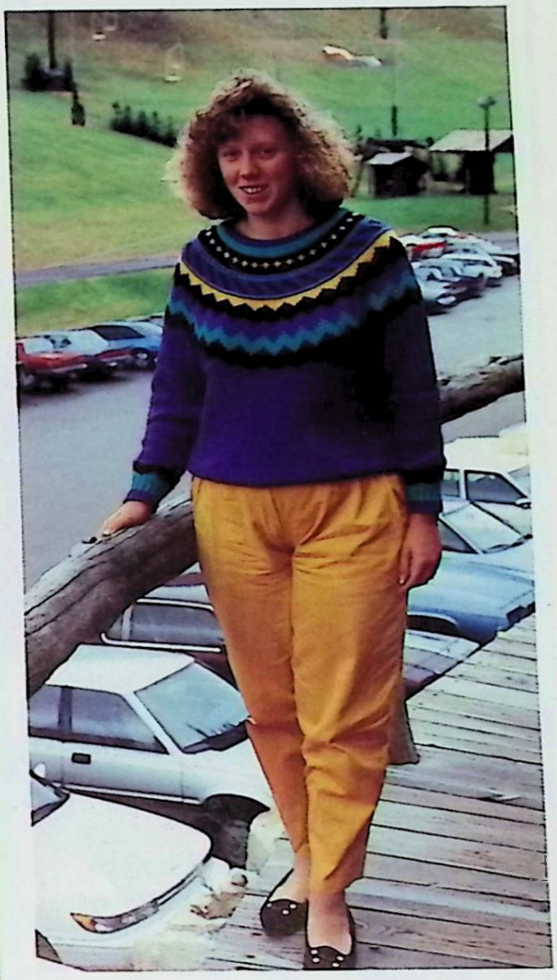
Six S.H.S. students have completed a major project together this year. These guys, Ron Basinger, Bill Brown, Jamey Hall, Fred Sabota, Rich Sheldon, and Brian Shipley, designed and built their own hangout. The Love Hut, as they fondly refer to it, is a "place where we can get away from home and hangout," describes one of the members. This is by no means a shack by any sense of the word. It is, more appropriately, a cabin. The Love Hut is carpeted, furnished with a sofa, bean bag chair, and a couple of old bar stools, and even has electricity! The guys say that they "don't mind people coming over and visiting but not on a regular basis."

A MAN AND HIS CAR Todd Smithula is a S.H.S. Senior who has become quite popular for the fine piece of machinery that he owns. The 1969 Camaro started out as a pet project for Todd. The result was a work of art. Todd is very protective of his car and proud to show her off.



Sis Wilson says that the rap group, Salt-n-Pepa have influenced her unique style. "They're my main girls," she says. Her friends all admire her style. Sis hates when someone tries to copy her look. Take a tip from Sis: "Don't always try to go with the flow. Be yourself and don't worry about what other people think. As long as you approve, DO IT!"

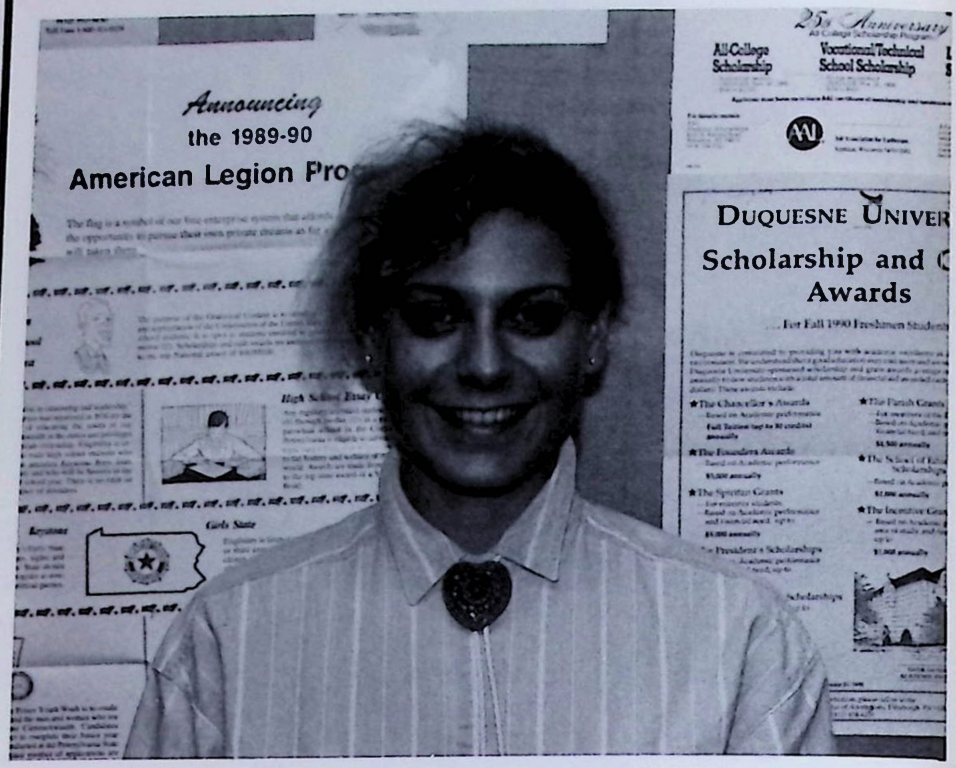




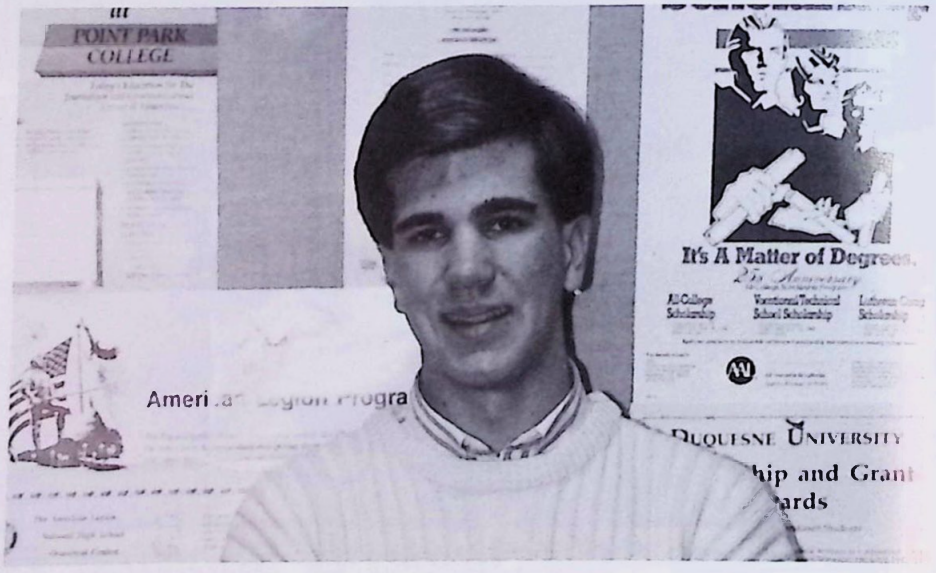
. . . Some SHS Students Showing Their Own Style . . .

Personalities With Style

Suzi Gilpin is an all-star athlete and a good friend to many people. Suzi acknowledges her friends-KCM- and is very loyal. Suzi is very outgoing. She is still recovering from major knee injuries and regrets how much it slowed her down. Sue says "I can't be as flamboyant as I used to be" Nothing really has changed, Suzi is as effervescent as ever.

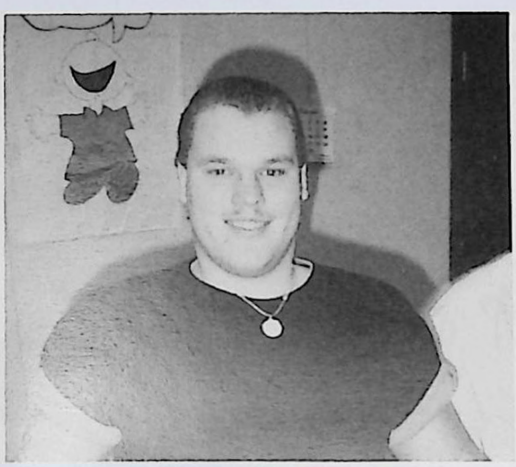


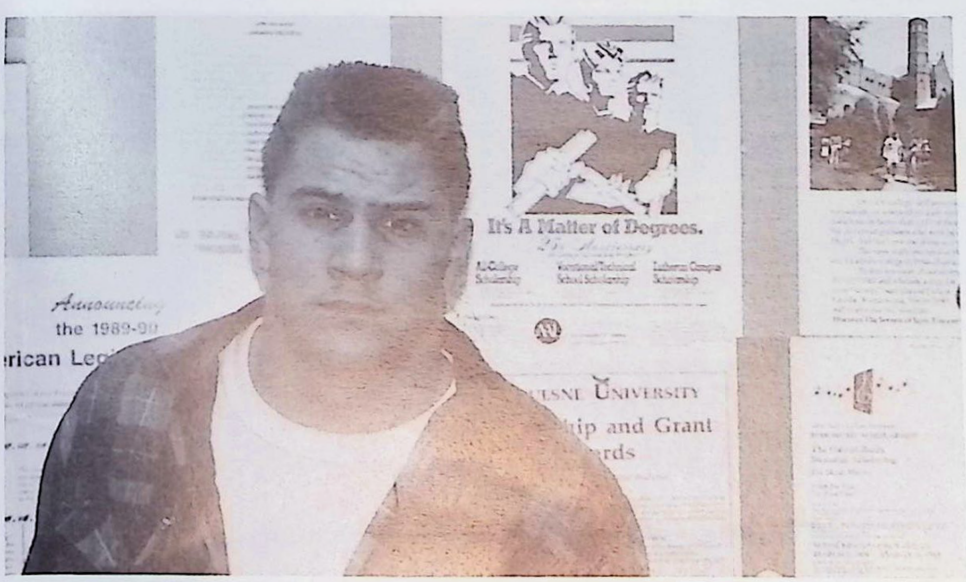
John Piwowar, Captain of the Varsity Academic Quiz Team, says, "Even though I feel like a nerd sometimes, it's fun to be part of the representation of S.H.S."



Personalities With Style

A step into style with Carrie Copeland. Carrie's personal style is inspired by the music she listens to. Carrie has been looking for a style to suit her "left of center" and rather unusual personality for as long as she remembers. Carrie Copeland feels most comfortable with her present style and is content with the offbeat aura that has earned her the respect of fellow classmates.





Lee Crossland has some very exciting outside interests, Lee recently won USA-ABF and Golden Gloves Awards. When asked if so many shots to the head are effecting his brain Crossland quickly countered, "Na I dunt dink do! It be inda goodest mentile conditioner in my wife." Not only is Lee witty and obviously an extraordinary athlete, he also initiated the Chess Club at S.H.S. The *Legend* yearbook commends Lee Crossland.

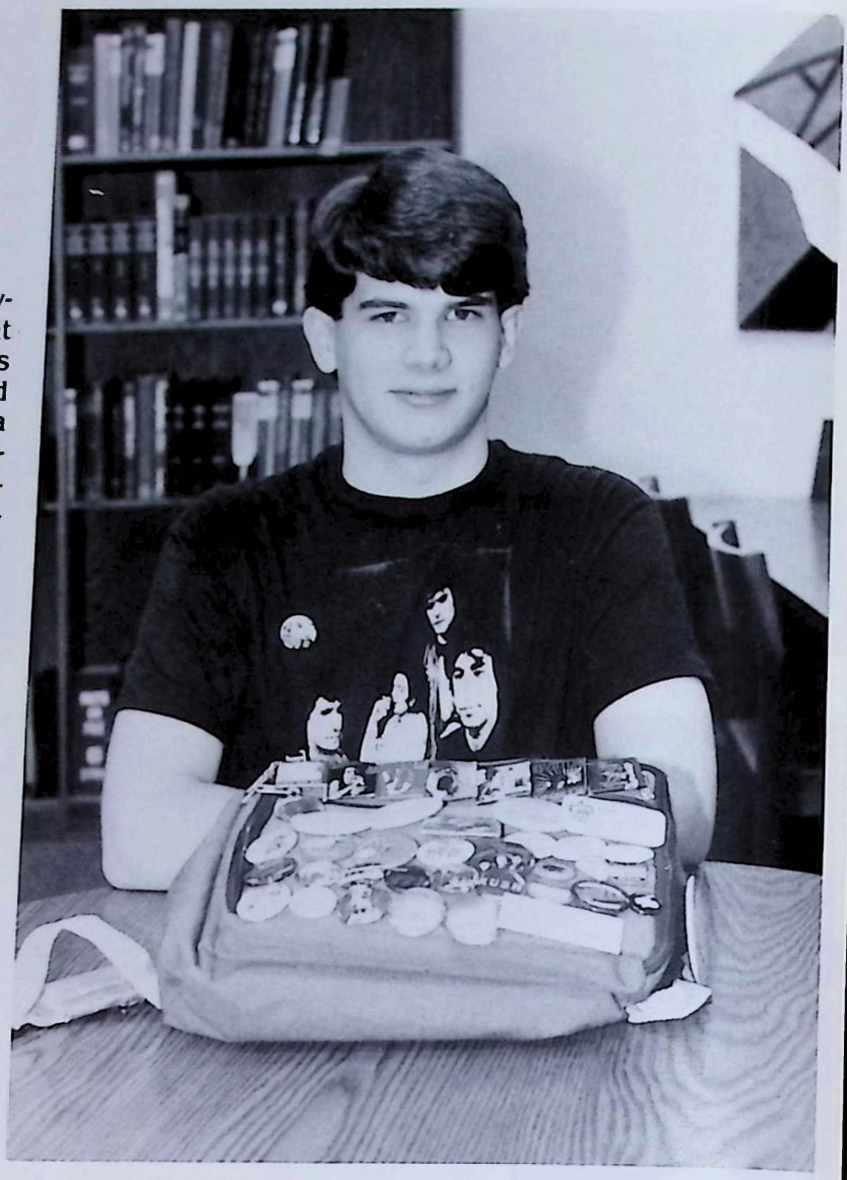
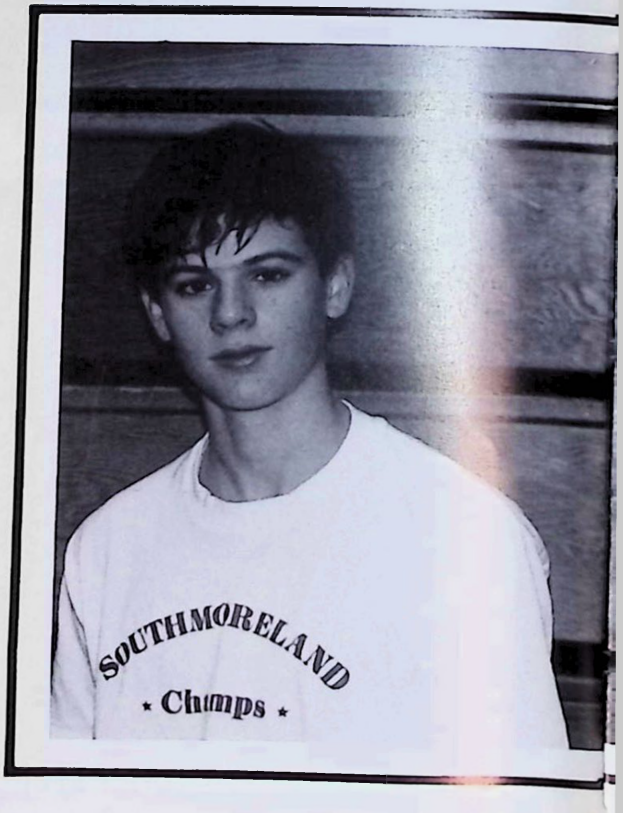
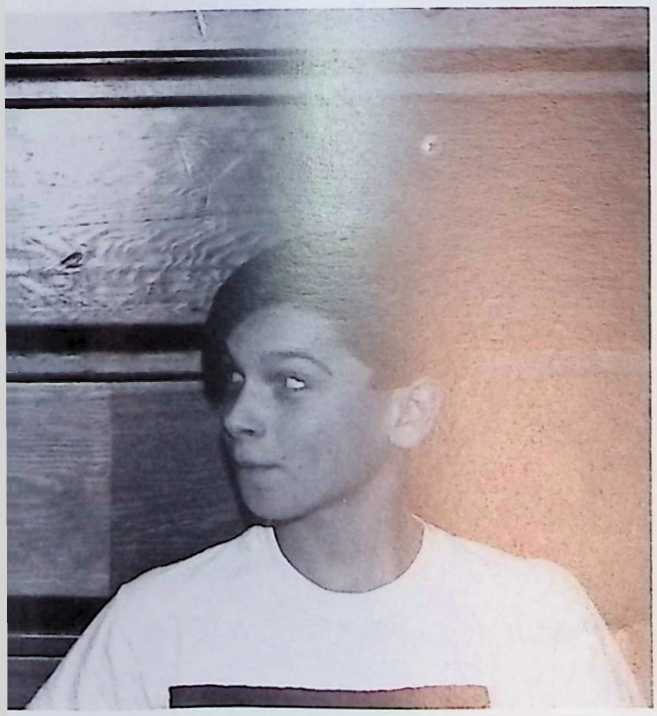
Josh Sprinkle is definitely not the most "average" student you would be likely to meet at Southmoreland. A prime example of his unique personality is the reverentially upheld tradition he began this year of wearing a pin a day, EVERYDAY, and placing it on his backpack that afternoon. In response to a question regarding this activity, Josh philosophized: "I like to imagine that all of the seniors are trapped inside a huge balloon surrounded by flames. Now, sooner or later, that balloon's going to burst. I'm just trying to speed things up a little by poking at it with my pins." When asked what will happen to the less stable side of an all too fundamental high school next year, he replied, "One does hope that another individual will keep the psychosis that many of us have fought to establish. My money's on Rob Zelmore!"





Normal?

Rob Zelmore, a member of the A.V. crew, describes himself as an "average briefcase toting fan of Clint Eastwood." Rob says he carries "the usual items in his briefcase: pocket protector, 2 slide rules, a monster scientific calculator, approximately six or seven audio cassettes, and his Sony Sports Walkman with small speakers, so that he can play 'Briefcase Music' during Physics." Rob hopes more people will carry briefcases so "they too can look and feel smart."



Jon Kramer and Jason Smith spend their spare time doing something that many Scottdalians chastise . . . SKATEBOARDING! Jon and Jason "take the heat" in stride. When approached about why they skate, the two jokingly replied, "We're losers and there is nothing else to do." These local heroes skate around Mount Pleasant, Scottdale, and Connellsville. Jason and Jon summed themselves up by saying, "We are bums!"

REFERENCE

Since we've spent *the last decade* together, the Legend editors thought it would be appropriate to look back at the 1980s and recall all the ***really important memories*** we have shared. The Class of 1990 has helped us to do so by contributing some of their favorites . . .

Flashback: 1980s

'80

At Ruffsdale Elementary, Mrs. Firestone had Tony Bushmire, Terry Lilley, and Craig Show at her mercy via a *wicked paddle*. "**Alice in Wonderland**" was performed at Alverton Elementary starring Matt Tartal as the white rabbit, Kelly Maceyak and Suzie Lawton as Tweedle Dee and Tweedle Dum, Jeremy Rolla as the mouse, and Lara Grubich made her debut as Alice. At Central Grade, ***Dana Hall was spanked*** for talking.

'81

Jason Kramer remembers Mrs. Hahn and her very scary library class. Becky Weisgerber *fell in love* with Michael and Matt- both. Central Graders will never forget the girls' clubs on the hill with their meeting place by *"the pole."* Playing kickball on the basketball court was a favorite. Allison Askey recalls Tony Luft going to her house for a "dip" in the ***Mr. Turtle*** pool! Brian Hyde fondly recalls getting caught telling **Polish jokes** by Mrs. Wojtanowski.

'82

Adam Stefl remembers when he and Terry Lilley were *on a mission* to clean Mr. Trillow's fish tank and had a minor accident-the whole tank crashed to the floor. *"Jimmy Cracked Corn"* was one of those not-so-classic songs Lester Cottom recalls having to sing. Matt Potosky and Erica Thompson remember swim class at the **Scottdale Y.** Mrs. Malone's class can't forget Terry Webber telling his famous tale of Matt Tartal's distant cousin, Davey Crockett. Everyone remembers the famous field trip to the ***Coal Mines.***

'83

Elizabeth Oliver remembers Jared Tuk, during SEAL, would flip his retainer over in his mouth to disgust the girls. Heather Pegram, Chris Smith and Terry Lilley were the "Lavender Ladies," who sang and danced to "Open Arms." John Piwowar recalls taking off school for a whole week to visit Disneyland! Joe DeNardo, superstar, visited the Intermediate. Dave Smouse, Stephanie Frisch, and Heather Riley wrote the "multiplication challenge" song to cheer Mr. Smith's class to a victory over Miss Rossey's. Fifth grade *-the maturity year-* the **yellow** envelopes were passed out and girls had to watch the "female movie." Richard James Rossey recalls truck pulls with little ***Stompers*** on the famous SIES Breezeway.

'84

Becky Weisgerber and Allison Askey remember ***Becky*** sneaking ***Allison*** her pantyhose to change into under the desk and being *watched like a "Hawk."* Two big hits: Mr. Fox's class and **trading stickers.** Remember when Jeff King tripped into Debbie Hunter taking her pants down with him (on Deb's birthday!)? Mr. Belice's science class was famous for the **generator experiments.** Tammy Shaffer and Renee Sherman fondly recall "trading" boyfriends. ***Steiner's Roller Rink*** was the happening place where *Matt Sherbondy* was one of the few brave guys who could skate to a "waltzing couples." *Highlight:* The table collapsing in sixth grade history-Diana Baird suffered a concussion from the blow! Todd Eutsey and Larry Graft remember getting kicked out of Laurel Caverns on the big field trip.

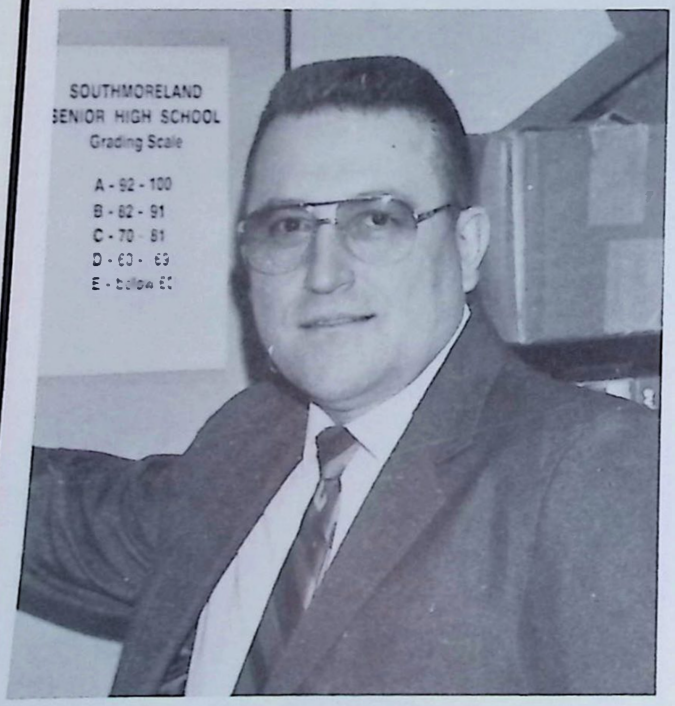
Retiring From S.H.S

Mrs. Gilbert Seese started her teaching career in 1959 after attending the University of Pittsburgh and Penn State. Before going to college, she graduated from Fairchance High School. While at Southmoreland, she taught Math, General Business, and Algebra. Her future plans include travel, painting, and crafts. The things she will miss most about teaching are working with the students and the fellowship of other teachers.



Mr. James Werkman graduated from Scottdale High School before attending the University of West Virginia. He started teaching at Southmoreland in 1957. While at Southmoreland, he taught a variety of subjects like Business Math, Typing, and Accounting. His future plans will be flying and fishing. The thing he will miss the most about teaching is getting up at six o'clock in the morning.

Student Council

The S.H.S. Student Council of 1989-1990 was one of the very best in Southmoreland history. Much progress was made in all facets of student government at S.H.S. One of the many faculty and administration members who was impressed with the efforts of this year's council was Principal John Beck. Beck said: "Student Council provides potential opportunity to bring about changes in the direction of the school community through the effort of its elected leaders. The opportunity for change is often overlooked. Rarely is the possibility for growth exercised to its fullest extent for the benefit of Southmoreland High School. This year's Student Government has been one of those unique groups that achieved the utmost." Beck was monumental in the successes of the council. Beck supported virtually every idea the students had. In fact, rumor had it that some teachers were jealous of how easily Beck was persuaded by the officers. By the end of May, President, Allison Askey, had a sort of unspoken understanding with Beck. Allison would approach Beck with a new idea and Beck would just nod and send her away to take control of the details. Allison was supported by 3 equally hardworking officers. Miss Darlene Miller served as vice president. Diana Baird and Craig Show fulfilled the duties of secretary and treasurer respectively. Two other key figures who could never be overlooked were the ever-patient and encouraging sponsors Mr. Aldo Clara and Mr. Nick Ritz. Although a favorite comment of Ritz's was "which part of NO don't you understand?!", Ritz and Clara almost always gave the okay to new projects. The projects completed by Student Council this year were as follows: Sweatshirt and cap sale; doors were put on the stalls in restrooms finally (thanks to school board reps. Imagination Dance; pop machine opens at 2:15; financially supported Homecoming, Chess Club (thanks to Lee), and Year Video; helped to solve bus congestion problem (thanks to Mr. Heckman for listening to our arguments); minutes of every council meeting were posted in every social studies room ; SADD chapter (operated by Student Council until February 1990) set up at Scottdale Armory for Awareness Day; Field trip to Westmoreland SADD conference; Latrobe High School Student Exchange Day; Bloodmobile (success thanks to Craig); Student Teacher Exchange Action Day (headed by Diana); Candy Cane sale (thanks to Ken); sent Christmas presents to victims of Hurricane Hugo; Distributed "Contracts for Life"; an answer to the "mid-term blues" was January's fun day; purchased "Spirit Works" a video to encourage school spirit; outlined a constitution SADD; created members cards for SADD and held an sembly for candidates to offi mechanical pencil fundrais Senior Breakfast; Dance-A-Th Beach Party/Jam Dance; tc volunteers to Special Olympi sent flowers to secretaries anc make a difference" pins teachers on their respective preciation days; purchased showcase to house the Acade ic Quiz Team's many trophi Incoming freshman orientati and presented one scholars for student involvement (Cc grats Terry!).

STUDENTS AGAINST DRIVING DRUNK president Rebecca Weisgerber (right) is shown above receiving a donation from Scottdale Sheetz. A GRIM REAPER DAY was held on May 10 to remind students attending the prom that drinking and driving don't mix! 1990 S.A.D.D. officers included Melissa Napoleon, vice president; Becky Kramer, secretary; Heather Pegram, treasurer; Liza Callaro, public relations.

AQL

The Academic Quiz Team, or Nerd Herd as they so fondly refer to themselves, was the most successful interschool competitive team at S.H.S. this year! Headed by their fearless leader, varsity captain John Piwowar, this incredible team had an undefeated regular season with a record of 7-0 and held an awesome 3-0 in the playoffs. John's fellow "nerds" on the varsity team were seniors Jim Close and Jared Tuk and juniors David Bell and Brian Boyd. A list of honors earned by the varsity team were: WCCC Olympics Grand Champions (2 years running), Section and Playoff Champions of the Mount Pleasant Quiz League, and Champions of the Big 20 Challenge (Johnstown-Cambria Quiz League).

This was not the only stampeding done by Southmoreland, the Junior Varsity Nerd Herd was equally brilliant! They too had a phenomenal season with a 6-1 record in section play and a 3-1 playoff record. This group earned the title of JV Section Champs of Mount Pleasant's Academic Quiz League. Another honor bestowed upon this team was earned solely by captain John Wood. John is the holder of the Mount Pleasant Academic Quiz League scoring title with 142 points. The other JV members were sophomores Jeremy Fretts, Krista Seanor, and Ed Stoner and freshmen Hannah Miller and Eddie Porter. The following ALPHA students were chosen as Quiz Team alternates ready to fill in if any team member should happen to wander from the herd: Rick Beran, Leslie Jones, Elizabeth Oliver, Michael Ross, and Chad Schrecengost.

American Red Cross

ON DECEMBER 19, 1989 SOUTHMORELAND SENIOR HIGH SCHOOL HELD ITS ANNUAL BLOODMOBILE. IT WAS SPONSORED BY THE STUDENT COUNCIL, MR. ALDO CLARA AND MR NICK RITZ. ACCORDING TO CRAIG SHOW, WHO WAS THE ORGANIZER OF THE EVENT, "THIS WAS THE BEST SOUTHMORELAND HAS DONE SO FAR". THE DRIVE WAS HELD FROM 8 O'CLOCK TO 2 O'CLOCK IN THE SENIOR HIGH BAND ROOM. OPEN TO FACULTY MEMBERS AND STUDENTS WHO WERE 17 YEARS OF AGE, WE WERE ABLE TO CONTRIBUTE 116 PINTS OF MUCH NEEDED BLOOD.

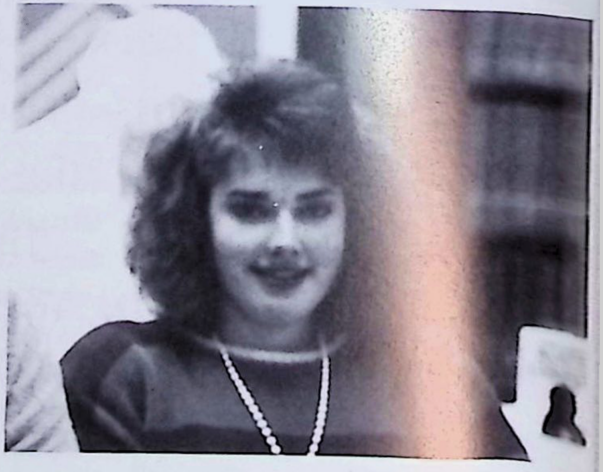
Valedictorian

John Edward Piwowar was class valedictorian. As an S.H.S. student, Piwowar was a member of Spanish Club, ALPHA, and YAWA. John had the lead in the play "Cheaper by the Dozen" performed at S.H.S. this spring. Piwowar was a National Merit Scholarship Semi-finalist. He was also a member of the National Honor Society, and he was Vice President of the Spanish National Honor Society. John also served as captain of the Varsity Academic Quiz Team. John was co-editor of Calliope and news editor of the Tam O'Shanter. At the conclusion of his valedictory speech given at Commencement John said, "I have no real advice to you, my fellow classmates, because I am no further along than you in my journey.

In the school of life, I am a scared freshman, too . . . I can only say good luck and 'Don't Panic'!" Piwowar plans to attend the University of Pittsburgh to major in chemical engineering.

Salutatorian

Dana Lynn Hall represented the Class of 1990 as salutatorian. During her years at Southmoreland, Miss Hall served as president of the French National Honor Society, treasurer of the National Honor Society, and was the recipient of the following scholastic achievement awards: English, Sociology, and Drama. Dana was a member of the Pennsville Baptist Church, where she was a Word of Life Club member and Word of Life Teams Involved participant. She performed in the following categories: drama, large vocal group, large vocal/instrumental combination, instrumental group, instrumental solo, pure Bible storytelling, and illustrated Bible storytelling. Dana was the winner of the Word of Life Discipleship in Action Scholarship (3 years running). Dana will attend Word of Life Bible Institute for 12 months and a four-year Christian college.



Beach

A gala of immense proportions occurred on April 6, 1990. Southmoreland rocked like a hurricane at the Student Council sponsored Beach Party/Jam Dance. The idea of the project was to assemble a band consisting of every willing S.H.S. musician from the classes of '90 and '91. However things did not run as smoothly as planned. Though the project started out with over 20 participants, only four S.H.S. musicians who called themselves "Fury" remained to see it through. But at the very last minute, "Answer" decided that they wanted to rock S.H.S. too! Fury worked hard changing songs and line-ups, Answer found a drum set for Roy, games were readied, a refreshment stand to serve popcorn and sno-cones was readied and a sound system was brought in to play music. It was a great way to end the senior year. Members of Answer included Roy Brewer on drums, Jared Tuk on bass, Mike Bashioum on lead guitar, and Lance Burkholder on lead vocals. Members of Fury included Danny Chess on drums, Scott Christner on drums and lead guitar, Jim Close on saxophone, Susan Hauser on bass and lead guitar, Jennifer Ottenberg on keyboard and Heather Riley on lead vocals.

DANCE

On March 9, 1990 the plaster that holds our beautiful establishment together shook all night long. What caused this mysterious rumble? A tremor? No, a Dance-A-Thon. The first ever Dance-A-Thon was held in S.H.S. from the late hours of night to the early morning hours. Activities, activities, and more activities were supplied for the many different party animals that rocked the night away. The spotlight was held on our favorite DJ's, Critter and String, who played an hour of Bryan Adams' and INXS' greatest hits. Later on in the evening M.C. Hummel made a stealth appearance by playing his many rap tunes over and over and over again. Then for a change of pace, and to keep everyone awake Mr. Clara played some good old country music. Soon the crowd was on their feet again working up a healthy appetite. Mr. Ritz came to the rescue with about a million donuts and McDonald's breakfast for everyone. Sadly enough the evening/morning came to an abrupt end. Student Council raised over one thousand dollars in donations. A vicious game of dodgeball picked up in the gym followed by the Gladiator competition. A tidbit that all should know and remember about the Dance-A-Thon is how Gary Phillips successfully survived the Gladiator competition, but fell flat on his face playing soccer an hour later.

Post Prom

The 1990 Post Prom according to the Southmoreland Mother's Club, was the most successful Post Prom in S.H.S. history. Approximately 70 couples were in attendance. The entertainment consisted of a hypnotist, a DJ, a Twist contest- won by Susy Lawton, a Freeze Dancing contest- won by Ken Leighty. The decorations for the Post Prom were provided by the first ever Southmoreland Prom Committee. There were volleyball nets behind the bleachers and a video of the Grand March for all to view. For a romantic twist, the Mother's Club provided non-alcoholic bottles of "champagne" for every table and champagne glasses as momentos for everyone.

Earth Day

Congratulations Nan Boyer! Due to Nan's efforts Southmoreland's Earth Week was a huge success. Credit is given to the excellent speakers and Southmoreland students who were interested and attentive. This was the first time ever that Earth Day was celebrated at S.H.S. The main goal of the Earth Day organizers was to heighten student awareness of our environmental conditions. Earth Day was held on the 20th anniversary of the original occasion. The event was stretched over a week long period, jammed with stirring environmental films, informative speeches, and a sad but hopeful closing candlelight ceremony. Because of the local landfill controversy, these issues really hit home with interested and concerned students. Earth Day 1990 made us all think about how we can make a difference ecologically in the future. Thus, the Earth Day staff can rest assured that they met their goal of enlightening S.H.S.

CHRISTMAS PAGEANT

On December 21, 1989, the final afternoon before winter break when every student is more than anxiously awaiting the end of the day, the student council dared to do what no group has done before . . . they attempted to hold the attention of these 800 anxious students and to entertain them! This entertainment came in the form of a Christmas Pageant. Allison Askey was the M.C. for this holiday extravaganza which featured everything from songs and skits to a Snow King Contest. A group of juniors wrote and performed the "12 Nerd Days of X-mas," Amy "Santa" Barber was on hand to pass out the seniors "secret gift boxes" to the highest bidders (the money went to the Scottdale Salvation Army), and the highlight of the afternoon was the highly-anticipated, long-awaited announcement of the 1989 Snow King. Honors went to Adam Stefl, who was crowned by Homecoming Queen Debra Sue Hunter. Adam's photographs along with his court and other Pageant pictures may be found on pages 166 and 167.

SHS Gladiators

On March 9, 1990, during the Dance-A-Thon, at 2:00 in the morning an unprecedented event occurred in the gym at S.H.S. One that will go down into the Southmoreland history books as the most violent, suspenseful, Life threatening 30 minutes ever to be chaperoned by a teacher. This was the first and probably the last appearance of the Southmoreland Gladiators. There were plenty of thrills and chills as the female gladiators (Kathy Bennington, Loretta Fosbrink, Stephanie Frisch, and Suzie Gilpin) and the male gladiators (Ron Smith, Matt Tartal, Todd Smithula, Gary Phillips, Brian Hyde, and Mike Ferrell) overpowered their opponents in front of a bloodthirsty audience. There was plenty of action for all as the challengers were put through such rigorous contests as Break through and Conquer, Powerball, the Joust, and the Obstacle Course. The two biggest hits of the evening were Vicki Miller hitting Kathy Bennington and Kathy hitting the floor!

On the lighter side of political affairs and international issues, "Late Night" funnyman ***David Letterman*** came up with these "Top Ten Ways 1989 Could Have Been Worse":

10. The *Exxon Valdez* could have been loaded with Cher perfume.
9. Dom Deluise as Batman.
8. Penthouse. Leona. 'Nuff said.
7. A Gabor *brother.*
6. Entrepreneurs could've been selling souvenir chunks of Irving Berlin.
5. Ernest might not have saved Christmas.
4. My slap fight with Barbra Streisand could have occurred on the air.
3. Bush could have picked a *really, really, really, **REALLY*** dumb guy to be vice president.
2. McOysters.

And the No. 1 way 1989 could have been worse.

1. If Jim Bakker had made it to the Vatican.

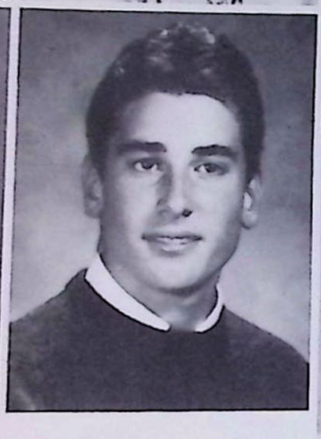
CONGRATULATIONS GRADS



Together For More Than A Decade Now, The Faces That You See On This Page Along With The Rest Of Our Classmates Have Gone Through Many Changes. The 1990 Class S... "Come Sail Away" By Styx, Best Expresses Our Thoughts As We Fondly Recall Our Years At Southmoreland:

"I Look To The Sea
Reflections In The Waves Sp... My Memory
Some Happy, Some Sad
I Think Of Childhood Frie...

We Would Like To End This Chapter Of Our Lives On A Happy Note. So, Adios Amigos!!!!!!!!
